Good Morning I.S.201! My name is Esther Chen from class 752, and I am here for the Words of Wisdom Wednesday on behalf of the S.E.A.L Team.

Today we celebrate National Custodian Appreciation Day—a special occasion devoted to recognizing the priceless contributions of our custodian staff. Today is also a time to express our gratitude to a group of people who play a crucial role in our school's community but are frequently unrecognized.

Custodians are heroes who make our environment safe and clean. They prevent germs and infections from spreading and they also create a welcoming atmosphere where students can learn without distraction. So, let's take a moment today to thank our custodians for all their hard work.

Let's not just celebrate them today but every day! Remember, we are all part of this community, and we can make a difference by displaying kindness and respect.

Affirmation of the day: I recognize the hard work and honor of our custodians.

Thank you for listening and have Well-Kept Wednesday!
