Good morning! It's Zia from class 851 here for Words of Wisdom Wednesday on behalf of the S.E.A.L Team!

Today is a day to bring people together. A day representing donation and unity. Today is American Red Cross Giving Day, a day dedicated to remind ourselves that when we stick together we make a big difference.

American Red Cross Giving Day gives us an opportunity to come together and support the needs of others. The American Red Cross is a unique organization formed to give support and assistance. This organization is special for spreading awareness and positivity – like the SEAL team!

This day started as a way to gain the interest of people, to help give them a sense of companionship and hope. At first, people established this day because they wanted to raise funds and shine a light of compassion and togetherness. Throughout the years, this day has made a massive impact, helping many people understand the spirit of giving.

Affirmation of the day- I stay positive and focus on the progress I'm making.

Thanks for listening and have a Widely United Wednesday.

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
