Good morning IS 201! It's Zain from 731 this last Talk A lot Tuesday of the school year on behalf of the SEAL Team.

We did it IS 201! It's time to say good-bye to homework and say hello to sunny days and summer adventures.

As we wrap up this year, let's take a moment to appreciate all the hard work we've put in and the fun memories we've created together. From in school to afterschool, we've laughed, learned, and grown as a school community.

Now, it's time to recharge those batteries, soak up the sunshine, and make the most of the well-deserved break. Whether you're heading off on a family vacation, going to camp, or exploring new hobbies, make sure to have a blast and enjoy every moment.

Remember, summer is a time to relax, rejuvenate. So, have an incredible summer, everyone! Stay safe, have fun, and come back refreshed and ready to conquer the next academic year.

Thanks for listening and have a Till We Meet Again Tuesday 😊
