Good morning! It's Micah from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

It's a new month, and you know what that means? It's time to kick off our month with a fantastic word: LOYALTY! Loyalty isn't just a word, it's a value that strengthens friendships, builds trust, and makes our school community even more incredible. When we're loyal to each other, we create a bond that's unbreakable!

This month let's make loyalty our guiding light. It's about standing by our friends, supporting each other through the ups and downs, and being true to ourselves and others. Whether it's lending a listening ear, offering a helping hand, or simply being there when someone needs us most, let's show the world the power of loyalty in action. And, as the quote goes, "loyalty is a choice. You choose to be there for someone, through thick and thin." Let's choose loyalty each and every day, and watch as it transforms our school into a prime example of positivity and unity!

Thanks for listening have a Trustworthy Thursday 😊

Affirmation of the Day: I will be dependable and consistent in my actions.
